

## Re-Elect Linda Evans - La Quinta Mayor 2022 Let's Celebrate La Quinta - TOGETHER!

**THANK YOU** for the privilege of serving as your Mayor for the past eight years. I made a commitment to work hard, bring new energy and engage our residents – and that commitment remains. I take the representation you elected me for very seriously, by making informed decisions with my fellow Council Members based on what is best for our residents and the City for the short and long term.

The progress we've made TOGETHER to enhance the quality of life in La Quinta, as well as for the good of our Valley, is commendable - THANK YOU! As a city, we continue to enhance and improve our services while remaining SAFE, vibrant, and desirable. Our accomplishments are many - even with the challenges caused by the pandemic the past two year and the impact on our health and economy. La Quinta continues to welcome new businesses throughout the city. We have invested and enhanced our flood control systems, added more affordable housing, nearly completed the North La Quinta perimeter landscaping, assisted and invested in programs for the homeless and food insecure, created exciting new events to enjoy, maintained and improved parks and trails (including opening SilverRock Park), and we still hold STRONG financial reserves.

Your continued engagement to provide feedback, input, and participation is important to me. Together, we collectively create our quality of life. Our Council will continue to move forward Vision Highway 111 Corridor, CV Link (construction begins March 2022), X-Park (opens 3/23/22), Montage and Pendry Hotels at Talus (construction is underway!), growth and enhancement of the Village/Old Town area (complete streets and walkability), more affordable housing (Washington Apartments and new land to build along Hwy 111), and collaboration with law enforcement and fire services to ensure a balance of equity and safety for all.

We have taken this journey together, and I appreciate the support and teamwork along the way. The last two years have presented some struggles, both from a business and emotional perspective. However, I'm driven by the continued positive feedback, support, participation, and engagement of our residents about how much they appreciate and enjoy life in our great city. Our city staff is also amazing, and they allow me and our Council added pleasure in serving our residents and businesses. It's a team effort – and I am grateful to be part of our La Quinta Team.

I ask for your vote – again – to continue to work hard and serve our residents, business community, visitors and the valley. I am committed to preserve, protect, and enhance all that we LOVE about La Quinta now and for years to come.

Thank you!

*Linda*
